

Endocrinology & Metabolism

We are pleased to announce a special privileged rate to **Expert Review of Endocrinology and Metabolism** for members of the **International Neuroendocrine Federation (INF)**. A **FREE 30-day trial** is available so that you can evaluate the content.

To register for your **FREE trial** please contact **info@futuremedicine.com** and quote reference **INFERM06**. We will then send you username and password access to **Expert Review of Endocrinology and Metabolism**.

Then to order your subscription at the reduced rate of **\$99** (normally \$450) fill in and return this form.

Please enter my annual personal online subscription to **Expert Review of Endocrinology and Metabolism** at **\$99***

I represent a corporate/academic institution. Please contact me with separate pricing details for my organization

For more information about **Expert Review of Endocrinology and Metabolism** please contact **info@futuremedicine.com** or visit **www.futuremedicine.com**
